Get your kicks on a true American adventure...

## Route 66, The Main Street of America – Part I

11 Days • April 13-23 • Chicago to Oklahoma City

Only offered every 4-5 years, this tour is one of our most requested. **Sports Leisure owner Mark Hoffmann** loves the old highway and has taken a dozen groups down its concrete and asphalt pathway. It's a journey full of road side oddities, like the postcard signing rabbit in Illinois, the World's Largest Rocking Chair in Missouri, the Blue Whale (pictured) or Mickey Mantle's modest childhood home, both in Oklahoma.

If you are an off-the-beaten-track traveler, this is the ultimate trip. (The second half of the old highway, from Oklahoma City to Santa Monica, will be offered in October 2018.) This is a uniquely American adventure. It's limited to 30 passengers and only 5 seats remain. The package includes airfare, pick-up at your home and 26 meals. Go to our website and view the complete itinerary, or call our office and we'll send it to you. But don't wait too long. Your travels will never be complete without a trip down **Route 66**. **\$3545 p.p./dbl.occ., \$4035 single**

February 14 | Wednesday Continues P. 14

Very few people are true masters of their craft. Ginger Elizabeth?

Just make your way to her Midtown chocolate shop, and you'll see the proof lined up around the block. Her chocolates, macarons, and myriad sweets have become a Sacramento staple, and even, one could say, a point of Sacramento pride. What inspired her to pursue this craft? Well, you wouldn't be wrong to say it was her Saturday mornings with KVIE cooking programs.

That's pretty sweet, don't you think?

## Nature: The Last Rhino

February 21 at 8PM

A northern white rhinoceros named Sudan is the last male of his kind, living on a Kenyan sanctuary under constant armed guard. With few options left, scientists and animal experts are racing against the clock to save the species. Trace his harrowing journey and glimpse the improbable future of these magnificent creatures.
