A little about a long-standing local travel company...

In 1979, a new travel company was born in Sacramento. Originally known as **Sports Travel**, we took fans to baseball games in Oakland and San Francisco. Later, as our travelers asked us to take them to other destinations, we became **Sports Leisure Travel**, and finally, in 1998 **Sports Leisure Vacations**.

Did you know less than 1% of all businesses make it past 40 years? We have done our best to honor your 45 years of support, and regularly invest in our community. Besides **Broadway Sacramento, The Music Circus and Public Television (KVIE Channel 6)**, we proudly share our profits by supporting dozens of local charities and arts organizations. Does the company you travel with support **our** community?

When you call us on the phone (during business hours), we answer. We don't have a "bot" deflecting calls. We aren't a big, over-stuffed, on-line travel company. We are local folks who have proudly built a following over three generations, selling tour packages we create ourselves. Same Owner for 45 years. Same President for 31 years. Many longtime staff members. There is no substitute for experience. It's been a wonderful journey, and here's to **OUR** future together!

Sunday Nights are Sizzling!

Buckle up for an exciting lineup of gritty, intriguing dramas on Sunday nights starting June 16.

First up at 8PM is season 3 of *Professor T*. This series starts with Professor T in jail awaiting trial. As the Professor struggles to get his old life and job back, he is helped by Dan and Lisa, who again rely on his brilliant criminal insight and analysis to solve some tricky crimes. This season, the Professor also finds out what really happened the night his father died.

Season 9 of *Grantchester on Masterpiece* premieres at 9PM. It's 1961 and times are changing in Grantchester. Will has begun to seek new challenges elsewhere, while Geordie and Cathy deal with an independent Esme being free in a dangerous world. It's not long before Reverend Alphy Kottaram arrives as the new vicar, immediately enchanted by the glorious village. But will the locals ever be able to accept him as one of their own?

Finish Sunday night strong with season 2 of *D.I. Ray* at 10PM. D.I. Rachita Ray is thrust back into homicide after a fatal shooting outside a Birmingham hospital. The deadly drive-by shooting of a young nurse and the head of a notorious crime syndicate threatens to erupt into a full-blown turf war. D.I. Ray must uncover the truth before tensions spill onto the Birmingham streets.

Believe in Better.

**Better health takes more
than health care.**

Medical care accounts for only 20% of our health. Other factors, such as diet, access to healthy food options and many more, make up the rest. That's why we've invested in five acres of community gardens, where fresh produce is donated to local non-profits.
