## All About Austen

Spend Saturday nights with some seriously romantic and absolutely heartwarming dramas based on the works of Jane Austen!

On February 15 at 9:30PM, enjoy a stunning adaptation of *Persuasion*, Austen's last completed novel. After Anne Elliot breaks off her engagement to Captain Frederick Wentworth at her friend's urging, she unexpectedly reunites with him after eight years of separation. Will this be a second chance at love for the couple?

On February 22 at 9:30PM, discover the untold stories of Jane Austen's life on *Miss Austen Regrets*. Based on her letters and diaries, this dramatization explores the final years of Austen's life as she reflects on romance and looks back on her own potential suitors and the choices she has made. Starring Olivia Williams (*The Crown*) and Hugh Bonneville (*Downton Abbey*).

And get ready for a new Austen-inspired drama from *Masterpiece* coming this spring! *Miss Austen* takes one of the most prominent literary mysteries in history – Cassandra Austen notoriously burning her famous sister Jane's letters – and reimagines it as a fascinating, witty, and heartbreaking story of sisterly love. Starring Keeley Hawes (*The Durrells in Corfu*), Rose Leslie (*Game of Thrones*), Calam Lynch (*Bridgerton*), Phyllis Logan (*Downton Abbey*), and more. We can't wait!

This year marks 250 years since Jane Austen was born, and we hope you'll join us in celebrating!

**Believe in Better.**

**Better health takes more than health care.**

Research shows that by taking care and innovation beyond hospital and clinic walls, we can take community health to unprecedented levels. After all, health is bigger than the medicines we take and procedures we receive. It's having access to fresh healthy food, having the opportunity to work fulfilling careers — and supporting neighbors like family.
